授業の概要及び位置づけ / Course Outline and Objectives	<p>The purpose of this class is for Japanese students and international students to learn more about self and other through various topics (culture, communication, society, diversity, identity, behaviour, attitudes etc) related to intercultural communication.</p> <p>This will be an interactive class and communication will be encouraged between everyone in the classroom. In the first class, the teacher will find the level and experience/knowledge of topics related to intercultural communication of the students. After this, the teacher will make the course syllabus and give to the students in the second class. .</p> <p>This course will not focus on developing English grammar or vocabulary.</p>		
授業到達目標 / Goal	<p>The main goal of this course is for Japanese and international students to interact. From this interaction and the course content, students will have an opportunity to:</p> <ul style="list-style-type: none"> - gain intercultural awareness - understand better about their own cultural identity - develop intercultural competence <p>This will allow students (Japanese and international) to understand themselves better in order to value their study abroad experience.</p>		
授業方法 (学習指導法) / Method	<p>The class will be learner centered and active. Students will work in groups and/or pairs. English will be the main language of the class, so class members will be expected to communicate in English. Methods that may be used include:</p> <ul style="list-style-type: none"> - discussions and presentations - role play - online group participation - watch documentaries - project 		
授業内容 / Class outline/Con			
事前・事後学習の内容 / Preparation & Review
