

# What is your image of:

**American**

**Chinese**

**African**

**Arab**

**European**

**Japanese**

## **Stereotypes**

Friday, July 8, 2016

17:00-18:00

English Support Room  
Katafuchi Campus of Nagasaki University

What comes into your mind when you think of people from other countries? What is the image of Japanese by people from outside Japan? We will talk about the stereotypes we have with Japanese and international students from Nagasaki University and Nagasaki Higashi High School. Let's look at where they come from and how true are they.
