The image shows a standard sheet of graph paper. A vertical line runs down the left side, creating a narrow margin. At the top, there is a horizontal header area containing a ruler scale. The ruler has major markings every centimeter, labeled from 0 to 10. Between these major markings are smaller tick marks representing millimeters. The rest of the page is covered by a grid of small squares, typical of graph paper used for technical drawing or mathematics. There are three solid black rectangular boxes placed vertically along the left margin: one near the top, one in the middle, and one near the bottom.

This image shows a standard sheet of white graph paper. A vertical line runs down the left side, creating a narrow margin. Horizontal lines are spaced evenly across the page. At the very top, there is a ruler scale with markings every millimeter and labels every centimeter from 0 to 10. Three solid black rectangular boxes are placed vertically along the left margin: one at the top, one in the middle, and one near the bottom.
